"August rain: the best of the summer gone, and the new fall not yet born. The odd uneven time." — Sylvia Plath

It is a great pleasure to extend my heartfelt greetings to our dear parents and students, both present and aspiring, who have chosen to arrive at the doorstep of Green Park Smart School. I am glad to welcome you into an arena of International school education, brimming with opportunities, challenges and promises.

Glances of Eco Park

Independence Day was celebrated in GPSS on 15th August 2019. The students and the staff celebrated 73rd Independence Day to pay tribute and remember all the freedom fighters who had contributed and fought for the Independence of India. Indian Flag was hoisted and the children took part in the March parade which was remarkable for them

co-scholastic activities are equally important for the all-round development. GPSS conducted Inter House fancy dress competition for the students. The purpose of the competition was to develop confidence among the students by giving them an opportunity to get on the stage and speak in front of the audience. Children came dressed up in their colourful costumes and spoke about the character they depicted.

GPSS is concerned in shaping the young minds. Winners of external yoga competition awarded with certificates and medals.

"Prevention is better than cure"  
Health camp was organized at GPSS by a team of doctors. The Health Camps aims to screen all the children present with the help of Volunteers and Doctors. Vaccination was administered to all the eligible students. GPSS wants the students to be physically fit and sound.

Hats off to the tots of GPSS for having won the prizes in Inter school open chess competition.

Inba S.B from Grade III and Rithan S.B from Grade I participated and won first prize.
