The entire fraternity of GPSS had an opportunity to celebrate the spectacular festival of Ganesh Chaturthi in school campus.

Teachers Day: Teachers day was celebrated with real zeal and enthusiasm by the children of Green Park Smart School.

Children are happy in planting a sapling. Educating the students about the importance of planting trees and its benefit in the society.

Onam is a harvest festival of Keralists. The fest was celebrated in GPSS and the day was colourful with traditional colours of lights.

Here is our another Biodegradation process to nurture trees. Hats off to the team who are involved in the biodegradation of waste management.

GPSS conducted cross country race for the students to enhance the sports spirit. It was a healthy competition among the students and the winners were awarded with trophies.

75 students of GPSS had participated in Green Olympiad Examinations and involvement of these students were worth appreciating.

The students of GPSS have turned out in large numbers for Swachh Bharat Abhiyan. Education on sanitation and maintaining a hygienic environment become a practice of the students.
