Children's Day was celebrated on November 14 at GPSS to promote the welfare and wellbeing of children and also to create their childhood memories.

GPSS conducted painting, drawing, Essay Writing and storytelling competitions for the children to bring out their talents and enhance their skills in the best way.

Faculties were taken to Kodaikanal for the field trip to have a stress-free day forgetting all their physical and mental strains.

Our tiny tots were taken to Alagumalai temple for field exposure. At GPSS we want the children to enjoy education and learning at all levels.

Save Girl Child was the theme selected by the girls of GPSS. Congrats to the concept and the fusion they performed in the cultural event.
