

GREEN PARK SMART SCHOOL - CBSE

ANNUAL REPORT - 2023-24

- + Good evening to one and all present here. I am glad to convey my sincere greetings and hearty wishes to all the respected dignitaries on the Dias. It is my immense pleasure and great privilege to deliver the annual report of this academic year 2023-24 on this stage.**
- + This Esteemed educational institution Green Park Smart School named GPSS was established by the eminent, dynamic and well known socialist Mr.A.Aloysius in 2016 in this Eco-Park oxyzone where we enjoy the learning now. The august infra-structure and usable furnished class-rooms are the evidence for its vision and mission.**
- + Now this institution rooted strongly and has developed with 400 students with 50 staff.**
- + With the prayers and wishes for good result in the board exam 2024 I extend the achievements of our students in academic, sports and extra-curricular activities of the current year.**
- + The school is supported with well experienced and qualified academicians to inculcate good values and enhance the Excellency in academics.**
- + We provide students, a very good learning experience and the co-curricular activities through NCERT curriculum, enriched with LEAD digital technology in our**

well-furnished class rooms.

- + We follow activity based Montessori education to primary sections, happy learning techniques to standards and practical oriented learning system to higher classes.**
- + Our day-to-day activities are sent to the parents through regular messages, weekly intimations, and monthly newsletters.**
- + We have well established laboratories for science and math's to make the students learning through experiment sessions. Our students are benefited with the great collection of 7000 books in our library.**
- + Good moral values are taught through yoga and meditation.**
- + Martial arts are taught through Karate.**
- + In addition special skills like western dance, classical, music, art and craft, skating and robotics are taught by our professional trainers.**
- + Also we have created various school clubs, to develop the students in various skills.**
- + Kamban Tamil Club**
- + Literary World English Club**
- + Pythagorean Maths Club**
- + Albert Einstein Science Club**
- + Nature Eco-Club**

+ Adroit Fine Arts Club

+ Bharath Hindi Club

+ Rising Champ Sports Club

+ Dazzling stars kids Club

+ All the clubs activities are led by our teaching faculties holding the position of president and vice president and the students of grade viii and ix acting as secretary and join secretary.

+ The school clubs play an active role in every moment to develop the students in various skills.

+ Here, sports is given equal importance to education. The institution concentrates a “stress free” learning and creativity of every individual is encouraged.

+ All the students have been divided into a 4 houses namely:

+ Orange blossoms

+ Cherry Blossoms

+ Blue Bells &

+ Bell Flowers

+ Which will help to develop their team spirit and individual skills both in academic and sports activities.

ACHIEVEMENT BY GPSS

-  Our GPSS was awarded by India K-12 Awards 2023 for Excellence in Providing Life Skills of Activity Based Learning on 27th June.

SPECIAL ACTIVITIES BY THE CHILDREN

-  On August 8, 2023 our children acted like freedom fighters in the Quit India Movement demanding an end to British rule in India.
-  The event made everyone the real climate felt with the British People.
-  LEAD Conference: Empowering our students with leadership skills is a priority at [GPSS]. The LEAD Conference provided a platform for our students to enhance their leadership abilities, foster teamwork, and engage in discussions that encouraged critical thinking. We are proud to see our students emerge as confident leaders ready to face the challenges of the future.
-  Parents Meeting: Effective communication between parents and teachers is integrated a student's success. Our Parents Meeting was a valuable opportunity to discuss academic progress, address concerns, and collaborate for the overall well-being of our students. We appreciate the active involvement and support from our parents, reinforcing our commitment to a collaborative learning environment.

On November 1st we celebrated annual sports day sports day was a highlight of the Year bringing together students teachers and parents for a day of Athletic competitions

The event futured a range of track and field events, team games and recreational activities. Students showcased their sportsmanship teamwork and dedication.

This day was a memorable and enjoyable experience for all.

It is my pleasure to thank cover PET Lakshmanan house in charges and captains.

RAIN HARVESTING IMPLEMENTATION

Our GPSS implemented rainwater harvesting systems and taught children due to the increasing water demand, in future.

Rain water harvesting is gaining importance as it provides an alternative source of drinking and potable water, which will help and motivate among the smartians to come across real life experience.
